PRODUCT GUIDE

About Our Company

Advantay Ltd was formed in 2003 on the foundation of over 30 years combined experience in the UK domestic and industrial Heating Ventilation and Air Conditioning markets.

Situated in Sudbury, Suffolk Advantay Ltd supplies standard and assists in the development of bespoke products to the Renewable, Heat Pump and Plumbing & Heating Industry.

Advantay Ltd represents Tiemme S.p.A, Pintossi+c S.p.A and Elbi S.p.A exclusively in the UK and has forged strong partnerships with other manufacturing companies throughout Europe.

Our product portfolio is borne out of experience and the close contact and support of our customers and suppliers. The product range and company structure enables Advantay Ltd to provide high quality products, competitive prices, unrivalled service and often a single source solution for many customers.
